

## Oh The Cross

Verse 1:

My longing for love wouldn't go away  
I was desperate, searching, broken by pain  
Looking for answers but nothing seemed right  
Where was my answer, what was my life?  
Blinded by sin I was lost, couldn't see  
Until I turned my eyes to Calvary

Chorus:

Oh the cross where Jesus died  
Shed His blood, gave His life for you and I  
My sins erased, no longer lost  
My debt was paid, I am saved  
Oh the cross

Verse 2:

Day after day as I live my life  
I find heartache, trouble, battles to fight  
When fear tries to grip me and I feel alone  
Jesus is with me  
I'm not on my own  
Now I can say in my heart I believe  
My life has been changed because of Calvary

Chorus:

Oh the cross where Jesus died  
Shed His blood, gave His life for you and I  
My sins erased, no longer lost  
My debt was paid, I am saved

Chorus:

Oh the cross where Jesus died  
Shed His blood, gave His life for you and I  
My sins erased, no longer lost  
My debt was paid, I am saved  
Oh the cross  
Oh the cross  
The cross
